

Acupuncture and Insurance Worksheet

Your insurance may cover acupuncture and this will greatly reduce your costs for treatment. If you would like to see if your insurance company covers acupuncture use this worksheet to help you when you contact the company. You will need your insurance ID card. Call the number on the insurance card and provide your plan information to the representative. Ask the representative the following:

Date	
Insurance Representative	
Name of Insurance/Plan	
Deductible Amount	
Deductible met so far	
Copay	
% Insurance Pays	
Max # of visits or \$/Year/Qtr/Month	
Number of visits or \$ used	
Need a Referral?	
Diagnosis/pathologies covered?
